

Advanced Fees

i3 Education is rolling out new advanced fees for our PaySchools Admin. Our new Advanced Fees allows for increased adoption of online payments, streamlined accounting by consolidating into one system, increased parent satisfaction by providing one place to pay for everything, and better financial controls by reducing cash and check payments.

NEW FEATURES

UPDATED ADMIN UI

- Easy to use, intuitive, fast
- Capture more payments online
- Reduce staff training
- Increase staff efficiency

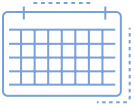

GUEST CHECKOUT

- Allows for anyone to process a payment
- Make a purchase in just a few clicks
- Make purchases without setting up a PaySchools Central account

ADVANCED ATTRIBUTES/CUSTOM FIELDS

- Collect data from parents at the time of payment
- Add additional products/prices to fees
- Sell merchandise with customizable options for sizing, color, etc.
- Flexibility, configure optional fees for anything and everything district-wide.

SESSIONS

- Set up courses, summer camps, events, AP tests, etc. with a schedule of specific dates/times and restricted number of registrants.
- Prevent scheduling conflicts for registrants, prevent overselling when space is limited
- Reduces registration errors eliminating need to refund classes
- Increased efficiency and parent satisfaction

UP TO 3 GL ACCOUNTS

- Take a single fee and split the funds into up to 3 separate GLs
- Streamlined and accurate accounting
- Eliminate need to manually calculate journal entries
